

First and fastest on the

Runway: First and Fastest in the Sky!

Alex Colbourne placed first in the GTAA “Runway Run” Saturday June 13, 2009 breaking Canadian Records at 17 minutes, 40 seconds, when the GTAA closed runway 06R-24L. Some 2000 men, women and children ran 5K or walked 2K to raise money for the Credit Valley Hospital Foundation.

Skycharter continues its legacy of being the first and best on the ground and the first and best in the air.
